

We are excited to announce the launch of a new online teacher training resource:

Supporting the Complex Needs of Children with Genetic Syndromes in Educational Practice

You will hear about:

- The aims and development of the resource
- How to access and use the resource

And you will have the opportunity to ask questions to the research team

Join our free online webinar **Monday 13th March 2023**
3.45pm – 5.15pm

If you're interested in attending, please scan the QR code or use the link below to register
