WE NEED YOUR HELP!

DOES YOUR CHILD HAVE A LEARNING DISABILITY?

We're developing a checklist to identify and monitor behaviours of concern in children with a learning disability.

It's designed to support parents/carers and clinicians when thinking about behaviour.

JOIN TWO FEEDBACK MEETINGS

If you're a parent or carer of a child with a learning disability, we'd love to get your feedback on the checklist. You'll receive £50 per meeting plus travel expenses!
